

Clinical Neuropsychologist

Services for Brain Injury is looking for a contractor to supplement its team of therapists. This position provides neuropsychological evaluations and therapies to our adult clients with brain injuries. SBI is a peninsula-based non-profit rehabilitation service that empowers people with disabilities to realize their full potential in every aspect of life.

Scope of Work

- Perform psychological assessments, testing, and evaluation
- Provide diagnosis based on assessments, testing, and evaluation
- Develop and recommend treatment plans based on patient needs and diagnosis
- Provide referrals when necessary for additional care, evaluation, or treatment
- Collaborate with faculty, staff, and other professionals to provide the best care possible
- Complete all necessary clinical documentation in an accurate and timely manner
- Ensure all services are completed according to relevant ethical and professional standards of care
 - Attendance at monthly staff meetings and other team meetings as reasonably requested to report client progress and recommendations
 - Maintenance of professional licensure/certification requirements
 - Compliance with code of ethics

Qualifications

- Licensed psychologist in state of practice
- Doctoral degree in clinical or counseling psychology
- 3-5 years of related experience working with people who have brain injuries
- Ability to pass a thorough background check
- Demonstrated ability to work effectively with diverse populations
- Strong working knowledge of diagnostic techniques and a variety of evidence-based treatment modalities
- Excellent interpersonal and communication skills
- Strong familiarity with assessment techniques
- Demonstrated ability to operate within ethical and professional standards of care

SBI is the only organization of its kind in the Greater Bay Area providing comprehensive rehabilitation for people with brain injuries and other cognitive disorders from post-acute through vocational training and job placement with a job coach. SBI is non-profit, CARF accredited and accepts Medicare.
